697 W. Meadowside Dr.
Saratoga Springs, UT, 84045

Detail oriented and innovative. I am a diligent worker with strong problem solving skills.

EXPERIENCE

CEO: Data Illustrate, Arlington, VA 2014-present

Working closely with the founder, I lead the day to day operations for this company in data visualization field.

- Lead and organized a project for a client that was outputted into 10 different language.
- Developed the company's internal site

Owner: C Shell Photo Saratoga Springs, UT 2014-present

Own and operate a small part time photography business servicing clients across Utah valley. I generate sales, run the photo-shoots, and edit the photos.

- Designed the website.
- Created computer automations for processing images.

Technician: TAOS, Boise, ID 2014

I managed the user accounts for various contracted corporations.

- Helped streamline the onboarding and off boarding process.
- Set up and managed virtual machines.
