+1 912 547 5392

I am a dependable employee who enjoys a challenge to make a difference in the workplace environment. My strengths are attention to detail, problem solving and encouraging fellow associates to work as a team to have a successful career for the company we represent.

Authorized to work in the US for any employer

## Work Experience

---

### **Warehouse Associate**

Staffing Alternatives/ Maersk Company - Garden City, GA

November 2022 to Present

I am currently working in the inventory department. My job duties are to maintain accuracy in daily put away audits and wall to wall audits. My work ethics are to pay close attention to detail and accountability for identifying merchandise with the correct orders numbers, size, quantity and hang tags. I am responsible for helping my co-workers with correcting merchandise that has been returned to the warehouse by unpacking each item, identifying the items, repacking merchandise, and documenting size, type, colors and sku/upc identification numbers on newly packed merchandise. Upon completion of this task, I am responsible to stage finished pallets in designated locations in the warehouse.

### **Material Handler/Forklift Operator**

Georgia-Pacific - Rincon, GA

June 2019 to June 2020

As a material handler, my duties were to operate the sit down propane fork lift safely throughout the warehouse. I was to locate, scan and deliver products to machine operators. I would operate a clamp fork lift to scan cases out of a location and deliver the cases to designate machines during a 12-hour rotating shift.

### **Material Handler/Forklift Operator**

Pier 1 Imports DC Warehouse - Savannah, GA

October 2013 to April 2018

I started working in the Break-pack Department operating a Taylor Dunn, locating merchandise by using a headset/RF scanner. I would perform picking procedures with both the headset/RF scanner. I would pick & prepackage the items into cases onto pallets then drop off completed pallets to the shipping dock in designated staging lanes.

I then moved into the Bulk Department of the warehouse where I operated a stand up reach truck. Here, I excelled in picking bulk items, such as furniture pieces, by scanning products out of sku locations with an headset/RF scanner and placing them onto tier rake pallets. Next, I dropped off the tier rakes to the shipping department in staging lanes for shipment.

## **Customer Service Manager**

Harveys Supermarkets - Springfield, GA  
November 2009 to October 2013

My job duties were to manage 15-25 Frontend cashier/bagger associates, including 4 cash office assistants. I interviewed, hire and trained all frontend associates, made monthly schedules, maintained that all employees received their yearly CBT training, checked in store vendors, made bank deposits among other duties. I was also responsible for total store & all 80 employees when Store Manager was out on vacation/training purposes. I used Windows Microsoft, Spreadsheets & POS (Point of Sales) devices to maintain a successful business.

## **CNA - Certified Nursing Assistant**

Evans Memorial Hospital - Claxton, GA  
February 2007 to November 2009

I assisted patients with activities of daily living. My duties included assisting admission department with taking vital signs, recording outcome readings, taking patients to their room upon admission into the hospital facility. I recorded intake and outtake of patients, brought meals to their room and provided quality support for all patients in my care.

## **Freight Handler/Verifier**

Oneida Limited - Ellabell, GA  
June 2006 to November 2009

My duties at Oneida Limited were unloaded/ loading containers by hand and placing merchandise on pallets, wrapping and labeling pallets for receiving department. My supervisor moved me into shipping department where I excelled in operating a stand up reach truck to pull products from warehouse locations and stage in shipping locations throughout the dock for loading containers upon arrival. My duties included using WMS for overseeing the entire inventory and supply of merchandise in the distribution center, using RF scanner hand held equipment to locate, scan out and scan licenses plates on pallets for shipping department.

## Education

---

### **PCT/CNA in Nursing**

Ogeechee Technical College - Statesboro, GA  
January 1999 to March 2000

### **High school or equivalent**

Glynn Academy - Brunswick, GA  
August 1982 to May 1986
