Work Experience

Electrical Apprentice

Interstates Construction - Fort Collins, CO

July 2016 to September 2017

The Electrician Apprentice's central task is to assist the Electrician. This may involve doing basic tasks such as handling the tools, and it may also involve working independently from the Electrician at times on electrical tasks that require less skill or experience. As the Electrical Apprentice progresses, he or she will be given more independence in completing tasks.

- Measuring, cutting, bending, threading, assembling and installing conduit.
- Experience in commercial, industrial, and new construction.
- Experience in network installation: pulling and terminating network cable to office furniture.
- Experience in reading electrical plans.
- Certified in the operation of scissor and boom lifts.

Enlisted Soldier/Team Leader

United States Army - Fort Polk, LA

March 2011 to June 2016

Team leader in a Light Infantry Company; responsible for the welfare, fitness, morale and discipline of a four-man team; responsible for the individual training and maintenance of their equipment; primary instructor and advisor in the matters of tactics, personnel management and junior leader development; directs his team's tactical employment during offensive and defensive operations; responsible for the accountability and maintenance of all assigned MTO&E equipment.
