+1 720 989 3709

I'm a reliable, hard working self starter that needs little to no supervision with job duties. Great ability to either lead or follow instruction in a work environment. I'm looking for long term employment with a stable company I can contribute to and grow with

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Shop Foreman/Fabricator

TFI Inline Design - Commerce City, CO

March 2012 to Present

I manage all the personnel decisions and training in a plastics fabrication shop. Oversee the fabrication, quality control, inventory management and assure deadlines for work orders are met. Fabrication process includes welding, fusing, heat bending, plumbing, and electrical along with the ability to read blueprints and troubleshoot with design of product.

Proficient with all shop tools and machinery including routers, drills, saws and handheld tools. Shop machinery includes a fusion welder, CNC, lathe, mill, table saw, jointer and band saws among others. Attention to detail, quality craftsmanship and maintaining a clean safe workshop are some of my strong suits.

Education

High school diploma

West High School - Salt Lake City, UT

August 1988 to May 1992
