## Special Skills and Knowledge

---

- Thorough knowledge of machines and tools
  - Precision Machining
  - CNC Machine Operations
  - Swiss Machining
  - CAD Design
  - Excellent work ethic
  - CAM Software
  - Perfect safety record
  - Manual Machining
  - Highly motivated and adaptable
- 

## Work History

### CNC Machinist

5/2016 to Present

**Sonju industrial-** Kalispell, MT

Setup and operation of CNC machines including vertical and horizontal mills and pallet systems.
