- I am looking for a job to provide for my son and to save up for realtor estate online classes.

- 

Authorized to work in the US for any employer

## Work Experience

---

### **Cashier/Customer Service**

Burger King - Rochester, MN  
November 2020 to Present

- I work as a Cashier and when there's a customer that only knows Spanish I always take their order so they don't have to struggle speaking Spanish.
- After I take orders I read it back again to make sure the order is correct.
- Another responsibility was to answer the phone in case a customer or an employee would call.
- When we are low staffed I help in the kitchen or when someone needs to go on break I cover kitchen until they get back.
- When I'm in the kitchen I make sure we have enough patties and chicken up so customers don't wait on it.
- Another thing about kitchen is when you're putting raw meat down we always change our gloves to avoid cross contamination.

### **Prep Cook**

Little Caesars - Rochester, MN  
April 2020 to August 2020

- As a Prep cook I helped make dough and then we would pre-make pizzas before we opened.
- I was also in charge of making crazy bread and helping open up the pizza station.
- Before it was time for me to go I would clean the pizza oil out with a rag and stack the pizza pans for the next day.

### **Hostess/Cashier**

Five West Kitchen and Bar - Rochester, MN  
April 2017 to June 2018

- Five West was my first job as a bus girl I would clean up tables and reset them for the next guest.
- After becoming a busser I got promoted to be a hostess I would seat people and answer phone calls for people who would call for reservations or for take out. We had to try our menu so we were able to sell and recommend people that are new to the restaurant what our most favorite items from the menu are.

### **Cashier/Floor Associate**

Target - Rochester, MN  
October 2017 to February 2018

- As a Cashier I would bag items and checked if anything was on clearance we also offered our red card.
- When it would be slow I would go on the floor and I put things back on the rack or help customers finding items they need.
