**Profile:**

I am a hardworking, friendly and dedicated individual who has the determination to succeed in most any work environment. Although most of my experience has been primarily in health care, indoor/outdoor maintenance, PCB fabrication, and IC fabrication, I learn quickly and I am concise and efficient in everything that I do. I have always worked well with others and I am also effective when working alone. I am seeking a position where I can learn new skills while using the skills that I have developed through my past education and work experience.

**Work Experience:**

**Jun. 2013 – Mar. 2018**

\*Maintenance Technician for Campus Apartments Ram's Pointe, LLC (East/Fort Collins, CO.)

I was responsible for general maintenance including but not limited to repair and up keep of appliances, plumbing, electrical and carpentry. As well as swimming pool and spa maintenance, daily testing, and cleaning procedures for which I received CPO certification from the National Swimming Pool Foundation.

**Oct. 2008 – Jan. 2009 and Jun. 2010 – Dec. 2013**

\*PCBA and Final Assy Manufacturing Operator for TDP Inc. (South East/Loveland, CO.)

I was responsible for PCB assembly, final product build and final product testing, as well as processing product through the production line, and operating all the tools and equipment there in, to company documented specification parameters.

**Sep. 2000 - Oct. 2008 and Sep. 2009 – Jun. 2010**

\*IC Wafer Fabrication Operator for Avago Technologies (South East/Fort Collins, CO.)

I was responsible for processing product through the production line and operating all equipment there in, as well as troubleshooting process and equipment errors. I was also responsible for equipment and product analysis and qualification within customer defined specification parameters.

**Jan. 2009 - Oct. 2009**

\*Kitchen Manager for Costa Vida Fresh Mexican Grill (East/Loveland, CO.)

I was responsible for overseeing daily kitchen operations including, daily and weekly budget, book keeping, cleaning, food preparation, food counts, food and supply orders, special customer orders, catering and scheduling.

**1992 - 1995**

3 years of college studying Architecture  
University of Colorado Boulder, Boulder, CO.

**1988 - 1992**

High School Diploma  
Estes Park High School, Estes Park, CO.

**Skills:**

I am proficient in using Word, Excel, Visio, Adobe Photo Shop, Adobe Illustrator and several privately owned software programs, and have had past experience using Form-Z and Auto-Cad. I can drive a fork lift and any model skid loader.
