Work Experience

Service Advisor/Writer

Yoder Chevrolet - Fort Lupton, CO

October 2023 to March 2024

In this role I was introduced to service writing. While starting I was responsible for opening the service area including the shop. Maintaining a clean environment while working to prevent a drag in the work flow. I learned how to write up warranty work, dealt with extended warranty. And personal customers most concerning Corvettes. I was responsible for checking in customers, checking in the vehicle also move and organize the service lot. (Customer vehicles and new and used cars)

I had to keep an organized environment communicating with the parts department the technicians and the customers in a timely manner with all the information they may need to make a decision and/or to keep proficient customer satisfaction.

Parts Counter Person

Yoder Chevrolet - Fort Lupton, CO

March 2023 to October 2023

In this role.

I would be responsible for being timely about getting parts requested completed and estimates finished at the same time as taking phone calls and helping customers over the counter. Problem solving skills required to help find the correct parts while over the phone using all the resources I was given to communicate effectively with the customer.

While there I was also be responsible for inventory management and parts pick up/delivery. Including restocking and organizing moving inventory to the exterior storage. While doing so I became proficient at using a fork lift, Propane and electric.

After working in this position until 10/2023, I was offered a different job at this location as a service advisor and I accepted.

Part Sales Manager

AutoZone - Lochbuie, CO

August 2021 to March 2023

During this role I was responsible for many things involving inventory management and keeping count of the cash including deposits and dealing with any underbalanced cash drawers or any issue involving the safe. While working hours I had monitored the sales floor, cleaning or organizing anything out of place. I was responsible for keeping my employees trained and help with any issues. I had been trained with inventory management then was transferred to other stores such as #838 and #802 to help organized the inventory. Then I was relocated to build a store #4362. After the store was completed I stayed working there until I changed jobs to Yoder Chevrolet.

General Labor

Applies coating technologys - Firestone, CO
June 2016 to August 2018

I was responsible for keeping the area clean and organized, handling all of the customers products. Prepping and packaging all of them to be shipped. Assisted in opening the shop getting it ready for the day turning on the ovens open up the shop to transport items.
