## Experience

### **Mechanical Assembler** · Woodward, Inc.

February 2023 – Present · 3 yr 2 mo

Fort Collins, CO

- Assemble Aerospace actuator mechanical components using hand and power tools following procedures according to drawings and work instructions
- Read and understand blueprints, schematics, and technical specifications to ensure accurate build
- Maintain safety, cleanliness, and documentation standards while meeting production goals

### **Production Worker. Quality and Sanitation Lead** · Smuckers

October 2021 – February 2023 · 1 yr 4 mo

Longmont, CO

- Ensure all responsibilities and duties within my skill block are being kept up to date
- When the Team Lead was out I would step up and make sure the line would be up and running
- Communicate with the bakery side and place orders depending on the way things are running
- Help out other areas to keep line running to meet production need
- Sanitation Lead in charge of the monthly cleaning duties of the team
- Heavily enforcing GMP throughout the facility as sanitation Lead

### **Laborer** · TRC Construction pipeline

June 2020 – September 2021 · 1 yr 3 mo

Brighton, CO

- Be a helping hand for Excavators, welders when on location
- Help dig out trenches that excavators weren't able to reach
- Make clear path for pipeline to be laid out

I worked here for 3 summers from 2016-2018 while I was attending school. Father was the superintendent and would "let me go" at the end of each summer to go back to school.

## **Production Worker/ Quality** · Vestas Windmill Blades

July 2018 – May 2020 · 1 yr 10 mo

Windsor, ON

- Was in charge of cutting Fiber glass to exact measurements and being separated from the barrels in which it was delivered to us
- Once separated stack up the fiber glass to be sent to the next station
- Had to be done in a timely manner with daily goals to reach
- Started Quality training but was switched to build team from cutting team

## **Delivery Driver/ In-shop** · Jimmy Johns

July 2015 – December 2018 · 3 yr 5 mo

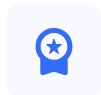

Greeley, CO

- As a Delivery Driver, I was always on my feet moving around whether it was to the car delivering or in the store quickly and accurately making sandwiches
- I'd hear the motto 'Freaky Fast' everyday and it became synchronized into my head and is now an everyday motto to completing task and goals
- A lot of interaction with different people daily.
