Work Experience

FedEx Package Handler

FedEx Ground-Fort Lupton, CO

August 2022 to June 2024

UPS Preloader

UPS-Commerce City, CO

June 2022 to August 2022

Load the UPS box trucks early in the morning before the drivers arrive, I would sort the packages based on the trucks route and size and adjust accordingly

Freight Handler

FedEx Freight-Henderson, CO

July 2021 to February 2022

Fork Lift certified I used my forklift to safely and efficiently load freight in trailers while being safe strapping in freight and using padding when needed. I was proud of my abilities but the hours just weren't for me.

Fulfillment Associate

Amazon-Thornton, CO

August 2020 to June 2021

The job is receiving packed orders and sort them into larger container sorts to then put into dock doors with pallet jacks,

Sometimes I help the dock team when put in a leader type role where i guide my associates and make sure work is going smooth and that they are doing the work that should be done
