Work Experience

Construction Laborer

Naranjo Civil Constructors - Denver, CO

September 2019 to Present

Working with contractors I know everything has to be close to perfect when it comes to it after the finishing product meets expectations. I plan to meet expectations on what project I'm working on. My job requires precision of focus, communication, and responsibility to finish the project. A position of team player I helped other get the task that was needed accomplished.

Laborer

William hill winery - Napa, CA

June 2018 to December 2018

A laborer at a winery takes commitment to excellence. As everything has to be completely thoroughly, my job was to provide that service with pumping wine into tanks making sure it all gets in their and cleaning tanks after each pump over. While providing great service to customers.

Retail Associate

Walmart - Denver, CO

November 2016 to April 2017

My job at walmart was working in all areas of sales, from selling technology to curious customers, or helping them find what they need was my specialty. Seeing a smile on the customers face when in retail service. I enjoy helping people getting what they want to purchase.
