

Alex Rodriguez

CNC Machining Operator

Denver, CO 80022

alex.rodriguez6348@yahoo.com

415) 410-6348

I am a self-motivated and hard working individual with CNC Machinist and production experience seeking a full-time permanent position. I work well in a team environment or individually. I have a strong work ethic. I am reliable and honest. I am detail oriented, a fast learner and bilingual English and Spanish.

Authorized to work in the US for any employer

Work Experience

Machinist / Moulding Operator

Denver Trustile Door - Denver, CO

July 2018 to November 2020

As a Machine Operator I Performed set up and operation of wood moulder machine. Making moulding for doors and frames

Forklift Operator/Dock Worker

FedEx Freight - Henderson, CO

March 2014 to July 2018

Dock Worker loading/unloading trucks using forklifts

Machinist

Czarnowski - Denver, CO

September 2015 to January 2016

Responsibilities

CNC Machine operation fabricating parts for multiple companies.

Accomplishments

Unfortunately I was laid off due to lack of work, however, my supervisor was very happy with my work and told me he would hire me back and keep me on if he had the work.

Skills Used

CNC machine operation, quality control, work independently, able to do any and all jobs needing to be done.

CNC Machine Operator

Professional Plastics - San Francisco Bay Area, CA

March 2003 to July 2015

Responsibilities

Operated a Shelling CNC machine producing various parts used by multiple companies to custom manufacture a variety of products. My duties included inputting specific data into the CNC machine,

reading blueprints, sketches, manuals, and sample parts to ensure the final work product was of high quality.

Accomplishments

I worked there for many years and was highly regarded by both the employer and co-workers. I loved this position and, had we not moved to Colorado, I would have stayed there forever.

Skills Used

Reading blueprints, sketches, manuals and sample parts to manufacture high quality products, CNC machine operation, quality control.
