+1 303 845 2520

Been in multiple fields across my life including car mechanic, management, customer service and construction.

Every job I've held I tend to exceed expectations by being efficient, persistent and precise. Skills vary between training and leadership, inventory management, knowledge of computers, tools and engineering.

## Work Experience

---

### **Chemical Operator**

Corden Pharma Colorado - Boulder, CO

January 2022 to April 2023

Manufacturer of peptides and Intermediates for pharmaceuticals.

Handled dangerous chemicals or solvents.

Automated and manual systems. With extensive problem solving on large equipment or vessels.

Understanding of pressure, temperature and time sensitive jobs

### **Manager**

Heart of Gold Games - Longmont, CO

March 2021 to December 2021

Coordinated efficient operations to effectively deliver top customer service in line with quality standards and business objectives.

Managed legal requirements for business operations.

Managed inventory, ordering, pricing and overall product management in the store

Monitored employee work to assess performance and identify knowledge gaps.

Maintained a steady crew who enjoyed coming to work everyday

Helped bring a new business too it's feet building a strong customer base. In less than a year we accumulated 77 5 star reviews. And have brought in over \$100,000 in revenue on my own in less than 6 months

### **Assistant Store Manager**

Advance Auto - Longmont, CO

April 2019 to February 2021

Inspired team members to drive performance, collaboration, and teamwork.

Maintained optimal inventory levels to control costs and meet store demands.

Scheduled and delegated assignments to maximize coverage.

Trained, monitored, and disciplined employees to reach performance targets.

Completed cycle counts and implemented loss prevention strategies to manage inventory.

Ran promotions and in-store events to increase sales.

Helped the store go from 1.8 million a year to numbers like 2.6 million in just one year with my team.
