## Work Experience

---

### **Material Handler**

Ball Corporation - Golden, CO  
August 2016 to Present

At Ball i operate a forklift in a production environment. I put away finished product and stage product as well. I load trucks that deliver our products.

### **Industrial Painter**

VESTAS AMERICAS - Pueblo, CO  
May 2014 to August 2016

At Vestas i prep raw towers following procedures for prep. I paint the towers inside and out getting them ready for internal parts to be installed.

### **Material Handler**

Drake Williams Steel - Aurora, CO  
June 2012 to May 2014

At Drake Williams i operated an overhead crane and forklift to pull orders for customers. I also moved and put away finished product. I also performed light fabrication to beams that needed it.

### **Machine Operator**

Coca-Cola Refreshments - Denver, CO  
March 2009 to June 2012

At coke i was the production lead. I was in charge of all the training for new employees showing them the safe and proper way to operate the machine they were assigned to.

### **Communications Technician**

Comcast - Denver, CO  
April 2007 to March 2009

At Comcast i installed triple play and did trouble shooting as needed on residential homes.
