

# Alonzo Berry

## **Thorough & Reliable**

Prior Lake, MN

- Email me on Indeed: <http://www.indeed.com/r/Alonzo-Berry/1d6556ceb62a662c>

Any gaps within my employment history reflect times where I chose to focus on Academics; to the likes of obtaining an Associate's Degree and continuing to pursue a Bachelor's Degree.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

## Work Experience

---

### **Order Selector**

SuperValu Inc.

November 2018 to December 2018

I operated an electric pallet jack isle to isle building full pallets from case selections. Then I wrapped them with shrink wrap and staged them on the dock where a loader could load them on trailers to be delivered to stores.

### **Reachtruck Operator**

Joliet Cold Storage - Joliet, IL

December 2017 to April 2018

Transported full pallets of food items in below 0 temperature with a Reach truck. Also used a RF Scanner to systematically locate pallets.

### **High Reach Operator**

Cloverleaf Cold Storage - Crest Hill, IL

February 2017 to November 2017

I operate a Crown High Reach lift within a freezer. Temperatures are 0 below. Yet, I transported full pallets of food items to and from designated locations. Utilizing a RF Scanner, I also located and documented transactions.

### **Reach Truck Operator**

OHL / Geotis - Bolingbrook, IL

October 2016 to February 2017

General warehouse operations with use of Crown Dock Loaders, Ramon & Crown Reach Trucks

### **General Laborer**

Labor Ready - Matteson, IL

November 2015 to September 2016

I periodically work in a Warehouse in which I am require to remove full & partial pallets from the dock area and I store these pallets in a rack located storage within the Warehouse.

### **IT Help Desk**

Northeastern Illinois University - Chicago, IL

January 2014 to June 2014

My job was to assist students and guest with hardware & software issues in the NEIU's computer labs. For example, I helped students print their task if needed.

### **General Warehouse Associate**

Home Depot Warehouse - Bolingbrook, IL

July 2007 to December 2009

I was on a inbound crew where I would occasionally assume the role of team lead. My duties were to receive containers with an RF Scanner. I would use a reach-lift to store full pallets of product into a rack location within the Warehouse. In the summer season I utilized a clamp-lift to pick and load John Deere ride mowers.

## Education

---

### **BA in Computer Science**

Northeastern Illinois University - Chicago, IL

2014 to 2014

### **Associate in Network Systems Administration**

DeVry University-Chicago - Chicago, IL

October 2010 to December 2012
