Objective - To become apart of a growing company and to use my past experiences to assist in company needs.

-To learn all rules and regulations of the company and to be able to update that knowledge.

-To become a valuable asset to the company.

Experience -Worked in a assembly lines packaging and palletizing products.

-I have experience as an order selector working with pallet jacks and forklifts.

-I worked with heat tunnels and bottle labeler machines.

-I'm used to standing for more than 8hrs a day and I am able to keep up with fast pace production.
