**Statement of Problem(s).** Include examples as necessary and the negative impact on the workplace:

A number of employees have approached management with concerns about Veronica's religious discussions in the workplace. These instances have occurred after the Sensitivity Training was administered. After review of the comments made, management feels that a Documented Verbal Reprimand is warranted. Per the Employee Manual "Actions, words, jokes, or comments based on an individual's sex, race, ethnicity, age, religion, or any other legally protected characteristic will not be tolerated."

**Plan for Improvement:**

It is expected that all employees adhere to VSI's expectations regarding workplace professionalism and harassment. This includes appropriate conversations in and out of the workplace with all employees. Continued disregard of VSI policy can and will result in further discipline including termination.
