Authorized to work in the US for any employer

Work Experience

Fire Sprinkler Fitter

Western States Fire Protection Company-Centennial, CO

July 2022 to February 2025

I install fire Sprinkler systems in new construction residential buildings. I also do some service work to the fire sprinkler systems in customer homes.

Shipping and Packaging

Modern Spa Cover-Arvada, CO

March 2022 to July 2022

I package and ship spa covers

Sprinkler pipefitter apprentice

Frontier Fire Protection-Denver, CO

October 2018 to January 2022

I was a residential sprinkler fitter apprentice for 3 years working with plastic,copper, steel, and dry systems,

Plumber Apprentice

S&R Mechanical-Westminster, CO

October 2017 to October 2018

Installation of new plumbing on various construction sites. Manual labor and equipment operation experience.

Dog Bather

Always Chic Pet Salon-Brighton, CO

September 2016 to October 2017

I bathed and dried dogs, occasionally assisted in bathing cats.

Cleaned the holding center for the dogs and cats.

Providing care and compassion to animals during their growing experience

Checked animals into the shop and helped organize where they'd be and the order of dogs grooming.

Laundromat Attendant

General Labor-Fort Lupton, CO

December 2015 to February 2016

Responsibilities

I interacted with customers, cleaned the laundromat, troubleshoot customer issues, as well as washed and folded customer and commercial laundry.

Skills Used

I provided excellent customer service, operated a cash register and handled money, and demonstrated my ability to maintain a clean and professional appearing business.

Gas Station Attendant

Tjs Express-Fort Lupton, CO

April 2014 to June 2015

Responsibilities

Customer service, operated cash register, cleaned store, stocked merchandise orders,

Accomplishments:

I got a dollar raise while working there based off of my performance, I also got assigned a specific task, making and putting away the store supply order, because my manager believed I was a responsible and reliable

worker. I was also the go-to person when a coworker needed their shift covered or any questions answered about their job.
