I love working with people and feel like I have the right skills for the job. I could be a great asset to any company I feel like customer service is what I really have a passion for and would love a new opportunity. I don't have much work experience because I have been a stay at home mom for awhile now, but now that my kids are bigger and in school full time I feel that now is a perfect time for me to get back out there.

## Work Experience

---

### **Signa marketing**

Customer Service - Cherry Creek, NY

January 2017 to April 2017

CO

Customer Service

Took outbound calls giving political survey's.
