

To Whom It May Concern:

I would like to recommend Amy Dalton as a candidate for a position with your organization. For the past seven months, I have been Amy's direct supervisor in the high-speed coiling department at the Arvada facility of Lake Region Medical. During this time, she was instrumental in keeping a high quality of work moving through the area during the plant-closing process.

She is a very welcoming and friendly employee who is always receptive to questions and requests. In her department, she has built up a reputation as a friendly and generous coworker who is always happy to help the team.

Amy is a very diligent employee and maintains the highest professional standards in her work. She delivers high-quality results and sets an example for her colleagues.

If Amy's performance in our firm were a good indication of her future performance, she would be an extremely valuable asset to your company. If I can provide you with any further information, please do not hesitate to contact me.

Sincerely,

James L. Shipley
