Work Experience

Commercial/Counter sales/Driver

Napa Auto Parts
September 2019 to Present

As dispatch I worked in commercial. Answer calls from our commercial accounts, place orders. Dispatch drivers out. Order picking. As counter sales I did customer service install batteries, wipers. Test alternators and starters. Answer customer questions about their cars problems. As a driver I would deliver in the company truck parts to the shops.

Production/ Lab Tech/Shipper/Receiver

Safeway Beverage Plant
June 2006 to February 2019

Safeway Beverage Plant
Operate packaging machines efficiently. Complete process control sheets. Ensure Codes were correct on package. Shipping out pallets of full product. Receiving full and empty goods. Inventory of full goods and empty goods. As a lab tech I would weigh, measure and mix product. Quality control testing, air, sugar, carbon dioxide, water. Warehouse shipping. Load outbound trailers with full good.
Receiving ingredients, packaging and input data into adage. Customer Relations
