To whom it may concern:

I am delighted to recommend Anastasia Loughran, a standout member of our dental team at Bradburn Village Dentistry for the role of dental hygienist. I have had the pleasure of working with Ana at two separate offices and have witnessed firsthand her exceptional qualities that make her a great dental hygienist.

First and foremost, Ana possesses a willingness to learn and grow which will make her excel in any office. She has a keen attention to detail which helps with diagnosis and treatment planning, and I am confident the patient is well educated when I walk into the room. She is an excellent communicator and can translate complex dental concepts into easy-to-understand terms. She is kind and compassionate and always makes her patients feel comfortable and at ease.

Her amazing teamwork, willingness to go the extra mile, and excellent patient care have earned her stellar feedback from patients who mention her name frequently on Google Reviews. I am confident that Ana will bring her passion, skills, and dedication to any dental practice, making her a valuable asset to your team. Please contact me with any further questions regarding Ana's application and credentials.

Sincerely,

Brian Oliveira DDS
