Work Experience

Shipping Coordinator

Nite Ize, Inc - Niwot, CO

June 2017 to April 2021

- Developed and implemented training syllabus for new personnel covering fifty procedures that realized 15% increased efficiency.
- Authored Excel VLookup form that streamlined shipping cost estimations, improved tracking metrics of package weights, counts, and volume.
- Provided leadership oversight of ten employees resolving critical and high priority shipments worth \$950,000 on a weekly basis.

Production Operator

Zoetis - Longmont, CO

June 2013 to November 2015

Longmont, CO

- Developed and implemented weekly resupply schedule for the controlled warehouse.
- Reviewed batch records pre and post production and improved lot change time by 25%.
- Provided leadership oversight of three employees for penicillin packaging.
- Trained to sample raw API material, blending and calculation review, logging samples, and production.

Assembler

Kelly Services - Boulder, CO

July 2012 to April 2013

- Follow current procedure revisions when assigned to triage, repair, and final test of vascular medical units.
- Completed nightly cell report for the supervisor.
- GMP trained and complied with FDA regulations.

Surveillance Operator

Isle of Capri Casinos - Black Hawk, CO

April 2011 to April 2012

- Protect casino assets by utilizing video, audio, and slot monitoring of casino floor, cage and vault, security, and food and beverage.
- Established working relations with the Black Hawk Police Department (BHP) and Division of Gaming (DOG) Officers.

- Entered reports generated by all BHP and DOG contacted patrons and logs from gaming reviews, non-gaming incidents, and hourly slot monitoring into Surveillance and Security Database (SSD).
- Conducted internal audits of slot technicians, cage personal, and table game dealers.
