Work Experience

Landscaper/Laborer

Nero Landscaping - Timnath, CO
October 2019 to Present

Maintained an efficient work pace, On a weekly basis; checked and maintained contracted customer properties, built and stained fences, create and build water fountains, flower beds, etc.

Laborer

Trojan Labor - Fort Collins, CO
September 2015 to October 2019

Would help do everything from cleaning up, to sweeping, putting floor protection down, and moving fencing around. Utilized hand and power tools safely and efficiently to complete construction tasks quickly and efficiently. Performed routine maintenance activities, and cleaning snow or debris from sidewalks.

Truck Loader/Unloader

NAPA Auto Parts - Kent, WA
September 2007 to June 2012

Scanning product labels on parts, loading and unloading trucks. Stocked products as needed, assisted sorters by loading trucks with the assigned packages for their routes. Loaded packages in an organized and timely manner.

Grinder Operator

Exotic Metals - Kent, WA
April 2005 to June 2006

Fabricated aerospace parts to order, Cut, Shaped, Formed, and welded it to the precise measurements that were given to me on blue prints including sandblasting, drilling, micrometer, vibratub, band saw.
