Andrew Ihrke

To achieve higher earnings by training in another field.

8/04 - 5/05 Rochester Community and Technical College Rochester, M.N.

Completed 1 year of a 2 year Automobile Mechanics program.

I am currently working full time on a 300 cow dairy farm north of Plainview

06/25/11 - Current Derrick Olson LLC Plainview M.N.

Hired Hand.

I mix feed for the milk cows along with feeding young stock and hauling manure. I do a lot of field work in the growing season along with other miscellaneous jobs that need to be done. I do a lot of general things around the farm that are labor intensive.

Once or twice a year I pick up garbage along the road next to my house.

To one day be able to buy the farm I live on and run it as a hobby.
