## Seeking Employment

---

### Work experience

---

- 01/2015 - 09/2017      CNC Machinist  
*New Age Manufacturing / Prototypes*  
Duties included operating HAAS lathes of various axis' and HAAS Mills. **General shop upkeep, machine upkeep, and routine equipment maintenance. Oversaw the** manufacturing of a variety of specialty parts composed of many different materials for many different clients. Manufactured prototype parts for airplanes and spacecraft as well.
- Experience with and knowledgeable of OSHA safety regulations.
  - Possess an in-depth understanding of the operations of drills, lathes, mills, and other equipment.
  - Accomplished at reading blueprints, schematics, and other associated documentation.
  - Experience with micrometers, calipers, indicators, and other instruments required to manufacture tight tolerance parts.
- 02/2014 - 09/2015      Landscaper  
*Trees, Shrubs, & More*  
Performed many landscaping duties, from constructing retaining walls to preparing areas as required to landscape designs. Used creative thinking skill in the planting of small trees, flowers and other decorative plants to ensure customer satisfaction.
- 06/2013 - 08/2014      Customer Service Representative  
*West Corporation*  
Served as an inbound call center representative for SiriusXM Radio. Provided detailed information to ensure the consumer received the best package(s) to suit their individual listening needs while attempted to upsell promotions and packages.
- 02/2012 - 06/2014      Team Member  
*Hy-vee*  
Performed general kitchen duties for the Hy-Vee grocery store's Hot Food and Deli. Primarily washed and distributed dishes, but also helped maintain a sanitary and clean environment throughout the kitchen, buffet, and cafeteria. When times allowed, I would assist with other kitchen activities as well.
- 06/2010 - 11/2012      Team Member  
*LG Cleaners*  
Entry level job operating dry cleaning equipment and assisting with managing dry cleaning transactions. Understood the intricate duties of pressing/ironing many different garments.

---

### Summary

---

I am a hard worker with good work ethic. I am also open-minded and have had a few different types of jobs under my belt. I learn things quickly and I will not let you down on a professional level.

---

## Education
