Work Experience

Welder III / Fabricator

Karcher North America - Denver, CO

July 2020 to September 2021

- Performed GMAW and Pulse Spray Arc and limited Tig welding
- Able to build some prototypes using engineering drawings with no fixturing
- Responsible for making the highest quality parts per blueprint(s).
- Checked first and last workpiece and periodically checked parts for accuracy per work order.
- Maintained a clean work area.

Mig Welder / Fabricator

D&D Machinery - Cesar Orozco - San Antonio, TX

July 2017 to June 2020

- Weld metal structural components together by means of arc welding using one process in the fabrication of steel electrical poles, substations, and other structures.
- Perform welding operations requiring a limited amount of planning of work from blueprints or other written specifications
- Move pole shafts using an overhead crane and gather parts and materials to complete the project.
- Perform other duties as directed by leaders and management.
