

# ANDREW STEVENS

Greeley, CO 80631

[andrewstevens298\\_byn@indeedemail.com](mailto:andrewstevens298_byn@indeedemail.com)

(970) 371-8495

Very dedicated hard worker that's able to learn quick and keep up. From working basic manual labor then learning how to run wood fabricating machines, to assembling small commercial aircraft parts and building gas flow control valves then finally my most recent position in appliance sales, service and installation for the past 2 1/2 years. I am confident that my dedication to teamwork and my ability to adapt to new environments makes me a valuable asset to any team.
