August- May 27

GRADUATED 2015-2019 CLASS

Speed Plumbing: I've been working in the plumbing industry for about 2 years now I'm heading into my 3rd year now I know a lot about water lines main connections and how to glue pipe down I have carried a lot of heavy materials I'm about 6.3 and I can say I handle a lot on my hands 2019-2020

Eaton Sales and Services 2018- 2020 : I worked as a pipe fitter doing Gas stations from scratch up I did fiberglass laying pipe down, testing gaskets for pressure, fiberglassing everything into

the sumps and also replacing old gas pipe I also did some time in the service community as well as safety training for heavy lifting

NOV Tuboscope – 2021-2023 Energy supply company I was a pipe inspector for oilfield pipe cleaning threads inspecting threads retreading threads and running pipe through machine for inspection sometimes we would go out to rigs and manually clean pipes for other local company's if needed

TRAVEL worker for Mv Construction & Welder 2023-2025 I would work as a general labor worker hanging up Panels for outdoor architecture I would measure and cut panels and install In a timely manner I would have to hang up 50-70 panels a day with 30 panels needing of being welded efficiently as some job sites would require us to weld on instead of screw we would work for Toyota dealers ships Porsche outdoor event centers I would travel 60-80 miles a week to get to new job sites I was a travel worker so we would

Be sent to New Mexico Wyoming Casper and down went steamboat and Glenwood springs I would drive a forklift for unloading trailers full with our equipment continuously throughout the day I would pull out large pallets for the buildings and set them up accordingly to where the Forman wanted them

IPSC Security corporation — 2022-2022

Guarding and protecting store and bank notifying information to on site manager patrolling and monitoring outside activities I would work 9-10 hour days frequently walking and running down and up isles making sure customers made felt safe I would type reports from time of arrival to mid shift to end of shift cracking down any issues and giving a debrief before my shift ended

Amazon warehouse — 2024-2024 (Night shifts) package handler PART TIME. Making sure packages are sent to the correct address picking items for customers in a timely manner notifying managers of any suspicious items or any spills I would also do sit down forklift unloading trailers for larger containment
