Angelina Conley

Fulfillment Specialist
Dayton, Ohio, United States

Summary

I graduated High School and College in 2017, obtaining a certificate in Photographic Technology. I went back to Sinclair Community College so I can get a degree in Business and Entrepreneurship, and graduated in Summer 2021. I've taken my steps to better my future and now I'm working on moving up in the world.

Experience

Chewy

Inventory Control Fulfillment Specialist
June 2019 - Present (3 years 9 months)
Vandalia, Ohio

I work on a small team that navigates a large facility and equipment traffic to help consolidate, repair, maintain product, or functionality of the pick path for outbound team members to be able to properly fill their orders for customers. I have moved from Inbound and Outbound operation positions so I can learn as many parts as possible in the facility.
