Post-Bulletin-Freelance Writer Rochester, MN

August 2015-Present

A regular contributor to the Radish Magazine

Project Manager

Roofing Restoration Services of America - Waxahachie, TX

July 2013 to 2015

Travel to numerous regional offices within the United States that have been impacted by a natural disaster or catastrophic event. I represent clients in their times of need by inspecting property for damage from catastrophic natural disasters including; documentation, photographs and in depth documentation of the damage to residential and or commercial properties. Draw up contracts to ensure representation for filing insurance claims. Meet with client's insurance agent or adjuster on client's behalf to prove that the damage is covered under their current policy. Enter into negotiation process to settle the scope of the claim. Sub-contract the repair of the properties to one of RSA's affiliates.
