I am seeking a full-time position with a well-established company where I can utilize my skills in analysis and customer service. As a hard-working professional, I look forward to learning new skills and taking on challenging projects to advance the goals of your company.

Willing to relocate: Anywhere
Authorized to work in the US for any employer

Work Experience

Line Lead

GEOTEK - Stewartville, MN
March 2019 to Present

Due to my work ethic, I was offered a lead position two months after I got the job. I have maintained the position ever since.

Groundskeeper

The Oaks Country Club - Hayfield, MN
2014 to 2018

Maintained golf course including bunkers, greens, driving range, and tee boxes; mowed bunker faces; pruned trees; performed pest control.

Mail Technician, Inspection Analyst & Machine Operator

Schmidt Printing
2009 to 2010

Duties ranged from loading, operating and running diagnostics on printing machines to collating, distributing and inspecting each step of the printing production process.

Education

Generals in Psychology

Rochester Community and Technical College - Rochester, MN
September 2019 to March 2020

Skills

- Mowing
