Work Experience

Quality Control Inspector

Sequent Distribution - South Bend, IN

March 2016 to May 2019

I audited orders to ensure precision. I documented all findings. I coached employees on correct processes. I was promoted to a quality control technician after 30 days on the job, because my supervisor admired my ability to learn all processes as well as my attention to detail. I picked and packed orders using a handheld scanner. I never made an error on any order during my three years.

Quality Control Inspector

Chassix - Bristol, IN

October 2014 to March 2016

I had to learn all processes in the plant from operating turntables, foundry, and machines to auditing finished product and processes. I used various gauges. I trained employees on proper processes and labeling. I ensured safety of all plant employees. I had to utilize good time management and prioritizing since the job demanded multitasking.

Quality Inspector

Monogram Food Solutions - Bristol, IN

September 2012 to October 2014

I had to ensure that employees were using GMPs. I enforced the importance of preventing cross contamination, and made sure the correct PPE was being worn. I packaged product, maintained a sanitary work environment. Made sure proper ingredients were being used.
