### **Skills and Objectives:**

**Professional:** I am a detail-oriented and safety conscious. I learn quickly and am looking to secure a position in an organization that offers challenges and opportunities for my career advancement. At the same time to serve that same organization to the best of my capabilities. I engage in production work proficiently by multi-tasking, with detail oriented determination to meet or exceed management objectives.

**Communication:** I have great people skills obtained working face-to-face with customers, so I have a strong customer focus on customer satisfaction. I am able to communicate with co-workers and customers in a professional manner.

**Computer:** I can use Microsoft Word, Outlook, and Excel with competency. I am comfortable using computer based data collection programs such as EIT, and am comfortable using the internet.
