Work Experience

Glass Technician

NSG Group - Pilkington North America-Laurinburg, NC

November 2017 to November 2022

I was in charge of inspecting a process that consists of three major departments that ran on a 24 hour basis. My job was to keep the process going in a way that saved us money, was safe, and met all of the customer's requirements. I monitored the measurements, temperatures, and quality.

Inventory Specialist

Tractor Supply-Laurinburg, NC

September 2015 to November 2017

I was in charge of unloading all freight off trucks. I stocked all the shelves and priced all the items. I handled all complaints and defects. I also worked the cash register when needed. I was in charge of the warehouse; organizing, cleaning, rotating, etc.

Shipping and Receiving

BIG ROCK SPORTS-Hamlet, NC

January 2011 to March 2015

I loaded all boxes into outbound trucks. I scanned and palletized all freight. I was in charge of a crew of 6 people. I made sure all items were accounted for and shipped corrected according to customer instructions.
