

Armando Loma

CNC Press Brake/Plate Roller Programmer

Greeley, CO 80631 | +19704151394 | armandoloma7_cwb@indeedemail.com

Professional Summary

Highly skilled and dedicated Fabricator/Welder with over 5 years of experience in the welding industry that started with being parts process . Possessing extensive expertise in MIG welding and a proven track record of successfully executing 3G vertical welding tests. Seeking a challenging position where I can utilize my welding skills and certifications to contribute to a dynamic team and further develop my professional abilities

Armando E. Loma

Work Experience

Structural Fitter/Welder

High Plains Steel services, LLC | Windsor, CO

August 2021 to Present

Structural , miscellaneous welding , handrails fabrication , certified , AQCI certification, unlimited certification , overhead certification

Processor

ADVANCE MANUFACTURING TECHNOLOGY | Loveland, CO

May 2020 to August 2021

Creating parts using shear & CNC break press using stainless steel

CNC Press Brake/Plate Roller Programmer

FM CONSTRUCTION | LaSalle, co

August 2018 to March 2020

- Work with engineering team to guide them on the process/manufacturability of cnc press brake and plate roller to create an end product. Create cnc bend programs on press brake/plate roller simulators. Responsible for an inventory of parts and material used. Project estimate time and materials for customers on process time. Operate skid/forklift to move metal plates and pallets around. Help prepare material and or Mig weld projects.

- Skills:

1. CNC Press Brake Operator/Programmer
2. Shear Break Operator
3. CNC Plate Roller Operator
4. Forklift/Aerial Work Platform Certified
5. PEC Safe land Certified
6. Mig Welding

Processor

LEED FABRICATION Tri point | Loveland, CO

September 2016 to August 2018

1. Rolling shells for oil separators, make parts An non code welding

Ⓢ Heavy Machine operator

Leed Fabrication

January 2015 to May 2015

over head cranes, shearing manufacturing, brake press)

Ⓢ None code welding (welding door corners and hinges on inside of separator houses

Floor Hand

Energies Services

February 2014 to December 2014

Building eco-node batteries

Ⓢ Setting tanks, plumbing separators to tanks

Ⓢ Dirt work using shovels to using back hoe/ skid to back fill

Ⓢ Helped welders on site with carrying pipe using telehandlers

Ⓢ Using power heads an other power tools to complete tasks

Ⓢ Framing/Production worker/lead

PTI GROUP USA

December 2011 to January 2014

Used power tools an table saws to execute job duties

Ⓢ Building 160 foot walls completed with finished dry wall an install them to the unit an pass down production line

Ⓢ Used overhead cranes to move finished product an stock bundled lumber

Education

High school diploma

Ⓢ Platte Valley High School

2010

Upper secondary education

Additional Information

Authorized to work in the US for any employer

Skills

- work well with others
- great work ethic
- can use power tools and I can read prints and measurements
- I have a (p.e.c.) safe land
- 6 years of welding/fabrication experience
- Good communication skills also a great team member
