+1 720 314 1165

I am someone who is seeking a company to grow and make a life long career with. When I was younger I was told the best piece of advice I have ever gotten. " Whatever you job you do, be the best at it. Always have pride in your work." And so I put my all into any work I'm given.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Material Handler

Terumo Blood and Cell Technologies - Lakewood, CO

January 2022 to Present

Moving materials via hand, pallet jack, PIT equipment such as fork lift, reach and skid. Did work within a clean room manufacturing environment, delivering and refilling parts as needed by the manufacturing line in combination with SAP and wrx to order parts.

Security Lead

Ceasers Entertainment - Black Hawk, CO

September 2021 to January 2022

Patrolled casino and hotel to observe,deter and report behavior that conflicted with the companies terms of service. Verified IDs, did garage patrols, hotel checks.

Security Officer

Advantage Security Inc - Denver, CO

April 2020 to September 2021

senior (lead) officer for security at a high rise apartment complex downtown where I specialize in de-escalation and high end customer service. Duties are as follows and more :Security Officers with ASI are accountable for monitoring and controlling the access of employees, visitors, and contractors to various client-owned buildings, as well as advising and escorting individuals into spaces. Officers are required to maintain security records and reports during their shifts. Other responsibilities, of security officers, include; the protection of property, the protection against security threats, the avoidance of hazardous situations, and preserving order at designated site.

Supervisor, Customer Service

United States Postal Service - Denver, CO

December 2017 to March 2020

Duties as Supervisor of Customer Service:

Maintain schedule, oversee work of all craft employees such as carriers and clerks. Update senior management on status of mail unit. Handle corrective action as needed for employees. Take customer

inquiry cases and find reasonable solutions for their. Maintain stock of stamps expired and new stock. Take count of cash drawers quarterly and review carrier routes for optimization of time.

Designated Hitter

Walgreens - Denver, CO

April 2016 to October 2017

Walgreens Job Duties:

My duties as a designated hitter was substantial. I had to do the regular duties of a sales associate. Such as cleaning, moping, cashiering, stock filling, scanner gun inventory, and helping customers locate their needed items. The other part of the job was to be partially in the pharmacy. My main duties in the pharmacy included filling prescriptions and checking out patients who came to pick up their prescription.

Electrical Apprentice

Ludvik Electric

April 2014 to March 2016

Reason for Leaving: Laid off due to lack of work.

Ludvik Electric Job Duties:

I worked for Ludvik Electric as an apprentice electrician for 2 years. I worked in mostly commercial facilities but also worked in some industrial water treatment plants. I was trained in the used of hand tools and tools of the trade. My duties included general labor, pulling and labeling wire, bending and running conduit pipe, installing interior and exterior lights, occupancy sensors, switches and working on temporary power units in both high and low voltage by making them field.

Security Officer

Securitas - Denver, CO

March 2012 to April 2014

Reason for Leaving:Went to work for Ludvik Electric.

Securitas Job Duties:

As a security officer for Securitas I stayed long term on three job sites over the course of 2 years. The first job site was Dillard's at the southwest plaza mall. There I acted as loss prevention, being a deterrent for theft of any property on the premises. When theft was a course of action I did however detain the suspects til the proper authorities arrived. Needless to say, the job required to be standing 10 hours at a time for my shift. My second job site was an unoccupied training center. Duties included patrolling at night and monitoring the CCTVs. Third job site was as front desk security, checking people in and verifying information for those who lost their cards on the computer.
