Skills

A motivated and determined individual with strong skills in business, marketing communications, and social media development. Very efficient in networking, and building positive relations. Takes initiative when solving problems, and working as a team. Looking to apply my drive to a long-term marketing position, where I can grow within the company. A strong grasp in Psychology to better understand and communicate with individuals.

Experience

Jan 2019- May 2019

Tenbroeck Insurance Co. Pepperell Ma - *Marketing Internship*

- Increased company efficiency/organization and further promoted their business with social media.
- Got real world experience helping with customer service, strategic planning, and developing materials under strict timelines.
- Applied the skills and lessons I learned during my business management studies.

Sep 2019- Mar 2020 (covid)

New England Treatment Access, Franklin MA - *M.I.P. Lab Team Lead*

- Promoted to team lead even though I was one of the most recent hires.
- Was committed and worked hard at the entry level position to progress within the company.
- With the uncertainty of the illness, and how the company handled the situation, I left the company.

July 2018 - Sept 2019

Overlook Country Club, Hollis NH - *Grounds crew assistant*

- Was in charge of small groups and projects on course.
- Applying what I learned in my studies to more productively and effectively lead these groups/projects to success.

Education

Fall 2015 - Spring 2019

Rivier University, Nashua NH - *Bachelor's Degree in Business Management, minor in Marketing*

Awards

Student-athlete academic award sophomore year.

Community Service at the Greater Nashua Humane Society.

Member of the winning team of Dr. Meehan' intro to entrepreneurship pitch contest.

(With our informational at home cannabis/herb grow kit)

A member of the D3 River Lacrosse team, playing both offense and defense in the midfield.

Backpacked Vermont's 273 Mile, Long trail, as well as Sections of VT, NH, and Maines Appalachian trail with my Dog/sister Maya. (while Covid work restrictions/concerns, mellowed out 2020-2021)
