## Work Experience

---

### **Order checker auditor**

Lineage Logistics - East Los Angeles, CA

February 2021 to February 2022

- Verify the accuracy of orders pulled and ensures that the correct product will be shipped in the correct quantity
- Process inbound and outbound orders accurately
- Review load/batches delivered to verify quantity and type of material
- Record amounts of materials or items received or distributed
- Use invoices, pick lists, and RF systems to ensure correct distribution and inventory
- Load freight with accurate products and merchandise for shipment

American Renolit Corporation

### **Material Handler/Forklift Operator/Machine Operator**

American Renolit Corporation - Commerce, CA

June 2018 to February 2021

- Ensure orderly production and distribution of products by pulling orders from inventory, delivering production materials and supplies where needed, and staging finished product final distribution
- Maintain inventory by identifying, labeling, and keeping materials and supplies in stock, recording location of inventory, and reporting shortages
- Locate materials and supplies by pulling and verifying materials and supplies listed on production orders
- Keep a well-maintained and updated account of stock and inventory
- Operate forklift such as the sit-down and stand up, pallet jack, and other machinery to move materials within the facility
