## Work Experience

---

### **Welder/Fitter Team Lead**

Black Eagle Energy Services - Berthoud, CO

May 2018 to Present

- Fit up and weld structural projects according to plans and time requirements.
- Train new welders and team members on fluxcore and hardwire welding techniques.
- Help other team members trouble shoot problems associated with fitting up and welding projects.
- 10 ton crane operation
- Boom fork operation
- Developed and fabricated a jig for cutting angles on pipe larger than our saw can handle.

### **Assistant Project Foreman**

Eldorado Wall Company - Boulder, CO

June 2014 to May 2018

As Assistant Project Foreman, I was responsible for:

Assisting Project Foreman with daily reports and keeping projects moving while the Project Foreman was off site.

Packing projects before they were shipped to the job site in the field.

Addressing problems with job site prep.

Obtaining building permits from local municipalities.

Working with design and engineering to solve problems in the field.

Layout and erection of steel structure.

Layout and erection of adjoining climbing wall shapes

### **Director of Marketing and Sales**

Heat Treat - Boulder, CO

January 2009 to December 2014

Learned and utilized Google AdWords to drive Sales.

Analyzed sales data to tweak our ad campaigns so we did not waste money.

Tracked ROI on all sales efforts so owner of the company could make informed decisions.

Worked with sales team to constantly improve our conversion rates.

I increased company sales by 115% and significantly lowered their advertising bill.

## **Assistant Project Foreman**

Allstate Sprinkler - Boulder, CO

January 2014 to June 2014

As Assistant Project Foreman, I was responsible for:  
Layout of over 100 decks and handrails at a large development in Gunbarrel, CO.  
Generated cut lists and organization system so other team members could efficiently and correctly stage cut material.  
Worked with GC's Certificate of Occupancy schedule.  
This was a contract job.
