---

Azalia Padilla  
Technician

**Education:**

Graduated from Brownsville High School

**Professional Experience:**

Kong Company, Golden, CO  
Technician, QC Inspector

2008 - Present

- QC Inspection
- Documentation and preparing work instructions
- Product assembly
- Inline Inspection
- Fork lift operator

Wytan, Golden, CO  
Technician

2010 - 2011

- Solder PCBs by fine pinch, thru hole and connect components under microscope
- Wiring boards and connectors
- Surface mount soldering
- Test boards and units
- Repair failed boards and retest

Carrier Access Corporation, Boulder, CO  
Product Assembly Line Lead

1999 - 2007

- Responsible for scheduling of products and line personnel
- Assembly of electrical and mechanical products from BOM and WI
- Download code and test units
- Testing of PCBs, repair, soldering SMT and thru hole.
- BGA remove and installation

Ball Aerospace, Boulder, CO  
Level 2 Technician

1998 - 1999

- Electronic and mechanical assembly from schematics and blueprints
- Surface mount soldering on PC boards
- Wire wrapping
- Cable and harnessing connectors wiring units

Xel Communications, Aurora, CO

1993 - 1998

## Electronic Assembler

- Electronic and mechanical assembly from schematics and blueprints
- Surface mount soldering on PCBs, color code, sub- assembly work
- Cabling and harnessing
- Document control
- PCB testing and repair
- Shipping/receiving
- Production scheduling of department personal and product

## Martin Marietta, Littleton, CO

1986 - 1993

### Documentation Clerk, Electronics Assembler

- Responsible for coordination of status accounting.
