WORK EXPERIENCE

Mower/Landscaper

Ultra Lawn - Hiawatha, IA - June 2013 to October 2013

Responsibilities

Maintenance mowers in the morning including gas,grease,clean,and change the blades. Grab everything we need including trimmers,blowers,and baggers. Go out and mow 12 to 15 houses come back to the shop maintenance mowers again and clean shop and or trucks.

Accomplishments

I made sure that every property I did was the best it could possibly look and took time and precision in doing so

Skills Used

- having an eye for detail
- ability to lift over 75lbs
- time management
- customer service
- ability to work with little or no supervision

Front End Loader

Lowe's - Cedar Rapids, IA - March 2012 to June 2013

Responsibilities

Grab all the carts in the parking lot and in store throughout my shift. Assist customers with sometimes checking them out, helping them with heavy items to their vehicles. Keep up the look of the store inside and out. Use forklifts, reach trucks, and order pickers to get any items and or freight if need and for remodels on the floor. Sometimes would help put away freight and go on deliveries. Customer services throughout the whole store and helping co workers as well.

Accomplishments

I got to make the overall shopping experience at lowe's all that it is helping guests with anything they needed and feeling good i could help make a home improvement possible helping them step by step and being power equipment certified. I also got great customer service skills .

Skills Used

- Customer service
- great attitude
- license for all power equipment
- forklifts
- reach trucks
- order pickers
- ability to lift over 75 lbs
- time management
- attention to detail

- multi tasking
- ability to work with little or no supervision

Mower/Landscaper

Ultra Lawn - Hiawatha, IA - March 2011 to November 2011

Outside Yard

Menards - Fort Dodge, IA - April 2010 to February 2011

Responsibilities

Make sure the whole appearance of the outside yard was kept up. Assist guest with anything including pulling lumber, and culling lumber. Flat stacking all lumber and concrete blocks restocking inventory ordering new inventory. Get freight off of trucks using forklifts.

Accomplishments

I got to make the overall shopping experience at menards the best it could possibly be. I got to learn about all the types of lumber and block they had I also got to help out with guest projects and got to be forklift certified. I got great customer service skills as well

Skills Used

- Customer service
- Ability to lift over 75 lbs
