WORK EXPERIENCE

Territory Rep.

CrossMark for Kraft Foods - Upstate SC and NC - October 2010 to Present

I introduced new products for Kraft Foods and gained distribution on the product by placement and ordering. My customer base consists of 200 stores that I scheduled and worked independently. I trained new employees when needed and helped in other territories to ensure 100% store completion. I also collected data for sales by using a handheld device.

Volunteer

Youth Ministry - Spartanburg, SC - May 2007 to Present

I help young adults in the development of their confidence and self-esteem.

Volunteer Work

Merchandiser/Sales Representative

HD Supply - Upstate SC - May 2007 to June 2008

I was responsible for ordering merchandise for 5 Home Depot stores. I received all HD Supply orders in shipping and closed all invoices by insuring all products were accounted and checked. I stocked the warehouse with the product to maintain a full saleable level for customers and set all to plan-o-gram. I made sure that all tools and products were returned to HD Supply for customer credit.

Production Supervisor/Manager

TW Fitting - Greer, SC - August 2006 to May 2007

I was responsible for all production goals within the plant by managing employees work performances. I worked with the shipping supervisor to insure stock level of product met delivery needs. I insured that trucks were unloaded with production supplies to keep productions running and that all tooling for production were issued and returned to tool room.

Self-Employed Contractor

Self-Employed - Upstate SC - December 2005 to August 2006

I had a customer base that I delivered for; one was medical supplies and the other was parts delivery. I also picked up all returns for customer credit. I helped in their facilities preparing and stocking to maintain inventory supply for the customers.

Merchandiser/Sales Representative

McLane Southeast - Upstate SC - May 2004 to December 2005

I was responsible for ordering and receiving merchandise for assigned stores. I stocked their shelves to maintain a full saleable level and set all to plan-o-gram. I also made sure that customers return products were returned for credit.

Self-Employed Contractor

Manufacturing Supervisor

Carmet CO - Duncan, SC

I held several positions during my employment.

- Supervisor – Supervised employee work performance and scheduled their daily work for the operation within the plant.
- Production Control Planner - Generated work orders for product to be produced for customers. I then expedited the orders through the plant to ensure customer on time delivery.
- Tool Calibration Technician / Tool Attendant - Calibrated all hand held tools. Distributed tools necessary for production and received tools back into tool room.
- Manufacturing operator
(Plant closed.)
