Professional Summary

Most of the work I do is contract, and I travel for most of my work. I'm always open to new opportunities. Experience in biomedical hospital work, events and brand ambassadorship. Open to travel and relocation

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Inventory Specialist

Green Arrow Staffing-Auburn Hills, MI

March 2024 to Present

Work is 2 weeks per Veteran center. I travel with usually 3-4 others and we manually scan all VA assets from maintenance equipment to biomedical equipment to IT inventory. This inventory list is sent to the logistics supervisor for each VA location. These are temp jobs

Inventory Technician

The InterMed Group-Buffalo, NY

April 2023 to December 2023

Did existing inventory in western NY and NW PA at a few hospitals doing inventory and data collecting for 4 months on biomedical equipment. Went to south Florida for 4 weeks in November and completed a check-in on new biomedical equipment that was shipped to a brand new surgical center in Jupiter, FL. Did some electrical safety inspections as well while inventorying devices. Tests recorded were ground leakage and earth resistance readings via safety analyzer. Last contract ended Dec 2

Brand Ambassador

Clearly Promotions-Hershey, PA

February 2014 to September 2023

Working as a mascot, labor hand, auto RSD, auto product specialist, and brand ambassador for many years for many different agencies and brands across mostly the Northeast United States. Work was mostly IC oriented and done on an as-needed basis

Driver

Adecco-Pittsburgh, PA

April 2019 to September 2019

Drive a google street car for purposes of driving highlighted routes and capturing street view images for Google maps to utilize. 6 month job

Biomedical Technician

ManpowerGroup-Baltimore, MD

June 2017 to February 2019

Complete Alaris IV pump and monitor projects. Sometimes we unboxed and inspected new units and prepared them to distribute to hospital departments. Other times we replaced parts part of a recall while cleaning all surfaces to prep for replacement. Jobs were W2 but temp usually lasting 2-4 weeks
