Heng,

I will speak to Hugh about the situation. If Bashar returns tonight, tell him he needs to wait until he speaks to Hugh on Monday.

Thanks for the update.

Kristi

Hi Kristi basher nima casawi came to me and Brittany ask for his raise 1 dollar raise. Because he work here for 6 month. Note get his first raise one month after he start and now he ask for other raise I mean 1 dollar raise. I told him I can give him 0.50 cent raise maybe but not 1 dollar raise and he say if he do not get 1 dollar raise he going to quite. That is his decision. I mean his position can not get 1.50 \$ just for 6 month. I thing that happen because pp have talked about wage. Because he brought couple pp name told me how much they make. And he want to get like those pp. I told him they not suppose to talk about wage. And I told him I can not give him 1 dollar more. And he say he quit and he walk out. Can you talk to ESSG to let pp know they not suppose to talk about wage ?
