Work Experience

Forklift Operator

Custom Assembly, Inc. - Shakopee, MN

June 2019 to Present

- Operate forklift in the moving of Polaris all terrain vehicles
- Unload Polaris units from trucks and receive them into inventory using a scanner.
- Load Polaris units onto trucks by hand as well as with a forklift for loading upper decks of trailers.
- Stack crated Polaris units in the warehouse.
- Work from order pick lists to correctly identify, pick, and stage Polaris units on the dock.
- Assess Polaris units for any damage, and use tablets to put any damages units on hold for the rework department to potentially fix.
- Fold up, stack, and put away empty crates after removing Polaris units from them.
- Maintaining a clean work environment throughout the warehouse.
- Various other duties as needed.

Auto Parts Handler

Carquest - Lakeville, MN

January 2017 to December 2018

- Sorting auto parts into designated totes and assigning them to pallets.
- Stacking/wrapping pallets for shipment to Advance Auto Parts stores.
- Picking parts for orders and placing them in totes for the consolidators (shippers).
- Stocking auto parts.
- Operating forklift and powered pallet jack.

Shipping and Receiving Clerk

Delmar Company - Lakeville, MN

March 2016 to September 2016

- Packaging parts for shipment by UPS, FedEx, courier, or LTL.
- Receiving shipments of materials, checking for correct material, as well as size and/or quantity of material.
- Washing parts coated in coolant, in preparation for shipment or assembly.
- Maintaining stock of boxes and other packaging materials.

Warehouse Assistant

Winter Company - Savage, MN

February 2015 to March 2016

- Handling the shipping and receiving of goods for screen printing and embroidery.
- Verifying the colors, quantities, and conditions of clothing received for screen printing and embroidery jobs.

- Keeping warehouse organized: putting goods in assigned spots after checking in and marking locations on computer work list so they can be later pulled for printing or embroidery.
- Calling couriers and assisting customers with picking up completed orders.

General Warehouse Associate

Zkarlo, Inc - Burnsville, MN

September 2014 to December 2014

- Assisting every department of the warehouse where needed most, including shipping, testing, and pulling merchandise for orders.
- Appraising condition of recently-received merchandise for grading in our inventory system, as well as counting quantities of said merchandise.
- Stacking/restacking and wrapping pallets of merchandise for transport or storage.
- Loading/unloading trucks.
- Assorted odd jobs around the warehouse that don't fit into the aforementioned duties.

Assembler

Lakeville Trophy Company - Lakeville, MN

February 2011 to April 2012

- Assembling trophies, wall plaques, and other various awards.
- Operating wide-format printer, rotary and laser engravers, sandblaster, and hydraulic press.
- Whatever else needed to be done, such as inventory; loading/unloading company truck and assisting with deliveries to and from our shop; stocking; cleaning.

Installer

Mediacom Communications Corporation - Chanhassen, MN

September 2008 to November 2008

- Installing cable and internet services in people's homes.
- Performing maintenance on existing services when necessary.
- Operate company vehicle, lay out own route for going to jobs, customer service, and getting work done with little oversight from supervisors.

Sales Associate
