+1 970 402 4195

A result oriented, analytically minded, and energetic Colorado State Graduate. I strive to do my best in every situation that is presented at me. I will not finish until the task at hand has been successfully completed. I have a passion for wiring and working on electronics.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Assembly LEAD

Super Vacuum Manufacturing - Fort Collins, CO

July 2019 to Present

- in charge of battery fans dept.
- trained multiple employees
- proficient in building everything in our shop. fans/ chainsaws/ ducting/ foam generators/ computers/ etc.

Umpire

Northern Colorado Sports Officials - Fort Collins, CO

May 2010 to July 2022

- Solely responsible for running games from start until finish. I am often alone in doing so and can still moderate the games.
- Developed good quick judgement as well as a good ability to control the pace of the game.
- Developed a "thick skin" from the continuous onslaught of remarks made about my decisions.

cook

Red Robin - Loveland, CO

December 2018 to May 2019

Cook

Qdoba - Fort Collins, CO

January 2018 to September 2018

worked my way from line prep to cook in little time because I loved working with a good crew of people that wanted to continue to improve the food.

Driver

Cheba Hut Subs - Fort Collins, CO

January 2017 to June 2017

- In Charge of taking orders, making subs, taking deliveries out and cleaning all of the dishes.

- First time working in a place that sells alcohol so I learned how to deal with drunken disorderly people in an appropriate manner.

Driver

Silver Mine Subs

September 2016 to December 2016

- Was in charge of taking orders, making subs, and delivering to customer.
- Was in charge of large amounts of money and clearing out at end of the night

Line Cook/Prep Cook

Taco Bell - Fort Collins, CO

March 2015 to October 2015

- Very stressful job, especially in college town, but this job taught me how to deal with pressure and not to succumb to it.
- Fast paced work environment pushed me to develop a great sense of urgency yet without lacking quality.
- Learned how to work with uncooperative/ incomprehensible customers.

Head of Maintenance

Choice Baseball - Fort Collins, CO

May 2011 to June 2013

- Responsibilities include watching over all operations in the facility to make sure everything was running smoothly in the company.
- Spending almost every day of my senior and junior year of high school helping this business thrive.
- General upkeep like cleaning and vacuuming the entire facility when customers are not present.

Education

Bachelor of liberal arts in Sociology

Colorado State University

December 2017

Fossil Ridge High School

May 2013
