Concierge clean sweep

2019 to February 2019

I'm a fantastic housekeeper/maid.

I've cleaned vacation rentals, residential homes, office cleaning as well. Before I started to get into the cleaning service I have always been on my cleaning game since I was young girl. I do not disappoint at all when it comes to my cleaning skills.

Forklift Driver

Sam's Club - Port Saint Lucie, FL

September 2016 to February 2019

I've come a long way since I stepped foot on my machine, your in control of everything you do as you get on your forklift. Maneuvering into a small corner to fit your pallet in the steel takes a lot of time and practice plus a lot of patience!

It took me over a week 1/2 to get use to the controls after that everything blended perfectly.
