

BEYAN A. BEYAN
40 N Ogden Street, Apt 210
Denver, CO 80218
(651)-325-9576

EDUCATION

University of Minnesota - Twin Cities, Minneapolis, MN

May 2017

Bachelor's: Chemistry

Relevant Courses: Organic Chemistry, Biochemistry, Quantum Mechanics, Thermodynamics, Physical Chemistry

WORK EXPERIENCE

Purina Nestle, Denver CO

11/2020 - Present

QA Analyst II

- Perform all quality testing as outlined in QMS and ensure regulatory requirements are met.
- Perform assignments in a timely, diligent, and safe manner and perform work in accordance with NPPC SOPs.
- Working Knowledge of SAP, Formal release, Carma, IngReceiving, PackQA, ProcessQA, MES TOOL PAK, etc.
- Perform routine lab and department maintenance to keep the area in compliance with 5's.
- Ensure Manufacturing processes are compliant with safety, Quality, and cGMP standards.

Bell International Laboratories, Eagan MN

09/2019 - 06/2020

QC Technician

- Proper use of analytical equipment, such as GC, HPLC, UV-Vis, FTIR, Titration, EDX, Viscometer.
- Conducted lab/ nonconformance investigations, and special projects as assigned.
- Performed standard challenge tests on research, pilot, and production samples.
- Performed microbiological tests on raw materials, bulk, and finished goods to determine microbiological content.
- Equipment usage, calibration, and maintenance. Equipment includes autoclave, incubators, pipettes, balances, etc.

Eniva Health, Plymouth, MN

09/2018 - 07/2019

Compounding Technician, R&D/QC assistant

- Perform testing on raw materials and final products such as pH, specific gravity, physical properties, conductivity or other quality assurance tests as required
- Accurately weigh raw materials and mix batches in various types of mixing equipment exactly as prescribed.
- Creates prototypes and executes experiments to support R&D evaluations.

Parking & Transportation at the University of Minnesota, Minneapolis, MN

08/2015 - 05/2018

Operations Supervisor

- Supervise over 70 employees to make sure they are performing to the best of their abilities.
- Monitor over 50+ parking facilities and over 30 automated pay machines.
- Conduct annual review of staff, Interview, hire, train, schedule, coach and evaluate employees.

Research Animal Resources (RAR) at the University of Minnesota, Minneapolis, MN

07/2014 - 08/2015

Animal Health Research Lab Attendant

- Performed routine mouse handling and husbandry in biohazard units of the Research lab.
- Conducted daily health check on mouse colony, report abnormalities and suggested possible venue of treatments.

SKILLS

- Professional working knowledge of Microsoft Products (Excel, PowerPoint, Word, etc.).
- Experience with GC/MS, spectroscopy, HPLC, IR, NMR, and wet chemistry.
- Ability to work independently, or in group settings.
- Fluent in English, Arabic & Tigrinya.
