Objective:

To obtain a Position with a company where I can utilize my experience in the Commercial Construction field and my strengths in dealing with people to become an asset to that company.

Job History:

March 2008 to Present

Director and Owner – Richmond Construction Group

Due to the shutdown of my previous employer I started a Commercial General contracting firm that specializes in Tenant Improvement and small ground up buildings. We have developed some great clients including Bon Secours, Randolph Macon College, Richmond Convention Center, University of Phoenix, Richmond International Raceway etc. To see our website go to www.rcgva.com

August 2004 to February 2008

Director of Construction – Advantis Construction Company

Advantis Commercial Construction had offices in 7 locations throughout the Southeast and was associated with GVA Advantis Commercial Real Estate.

My duties with Advantis as Director were to operate the construction division of the Richmond office. We handled projects from Charlottesville to the Tidewater area. The projects range from small Tenant Improvements to major renovations to ground up facilities. The last major Project with Advantis was a 7.5 million dollar renovation at Colonial Williamsburg for their new Colonial Williamsburg Spa.

Advantis Commercial Real Estate and Advantis Construction Company shut down in all states of operation.

February 2000 to August 2004

Project Manager - Woolfolk Construction, Inc.

Woolfolk Construction, Inc. is a mid size Commercial General Contractor whose projects range from small tenant improvements to multi-story office buildings. My duties as Project Manager were to bid projects, hire subcontractors, award contracts, track costs and oversee superintendents on these projects. My projects ranged from office renovations to the new 6 story 150,000 square foot St. Francis medical office building.

Some of my Projects:

6 Story 150,000 Square Foot MOB	2 Story Child Development Center
21,000 Sq. Ft. Ambulatory Surgery Center	7,500 Sq.Ft. Dental Building
10,000 Sq. Ft. Plastic Surgery Center	11,000 Sq. Ft. Orthopedic Suite

February 1988 to February 2000

Project Manager/Estimator - Biggs Construction Company Inc.

Biggs Construction Company Inc. is a utility contractor out of the South Hill Va. area. This company owned by my brother David Biggs does utility and site work mainly throughout the southern to middle parts of Virginia. My duties were Project Management, bidding and estimating while with Biggs.

March 1987 to February 1988

President - Biggs Inc.

Biggs Inc. was a Commercial Construction Company I started that specialized in Tenant Improvements. We performed work for some of the Top Real Estate Companies and Real Estate Developers in the area. Started in 1988 and by marketing to Architects, Brokers, Space Planners and Owners the business went from doing under 1 million its first year to 5 million dollars in volume in its 3rd year.

January 1982 to March 1988

VRD Construction Management/Va. Realty & Development

VRD Construction Management was a division of Va. Realty & Development, a Commercial Real Estate firm in Richmond. The Construction division was formed to handle tenant improvements at properties managed by Va. Realty & Development, and soon expanded to include projects for other firms and property owners in the area. My responsibilities were to handle all aspects of the Construction Division from soliciting work, bidding, hiring subs, awarding contracts, tracking expenses and overseeing the projects to completion.
